CFPB's Supervisory Highlights on Auto-Finance and Auto-Servicing

Moving the Metal: The Auto Finance Podcast

SPEAKERS

Brooke K. Conkle | Chris Willis | Stefanie H. Jackman | Christopher J. Capurso

---

In this special joint episode of *The Consumer Finance Podcast* and *Moving the Metal*, Chris Willis teams up with Brooke Conkle and Chris Capurso, hosts of the *Moving the Metal* podcast, to discuss the CFPB's recent supervisory highlights on auto-finance and auto-servicing. Joined by Stefanie Jackman, a partner experienced in auto-finance servicing and collections, the team delves into the CFPB's findings on issues ranging from repossessions and servicing practices to optional products and credit reporting. They explore the implications of these findings and provide insights into the regulatory landscape, emphasizing the importance of compliance and timely remediation. Tune in for an in-depth analysis of the CFPB's focus areas and what they mean for the auto-finance industry.

RELATED INDUSTRIES + PRACTICES

- Auto Finance
- Consumer Financial Protection Bureau (CFPB)
- Consumer Financial Services
