Chambers Global Spotlights Troutman Pepper's Powerhouse Practices Serving Energy Industry Sectors

NEW YORK – Troutman Pepper's energy industry expertise has been recognized in the recently released [Chambers Global Guide 2023](#). The firm achieved global recognition in two departments: [Energy: Electricity \(Regulatory & Litigation\)](#) and [Projects: Renewables & Alternative Energy](#).

According to Chambers Global, "Troutman Pepper has an impressively broad practice that is well regarded for expertise on electricity regulatory matters. Partners possess a deep understanding of FERC, in addition to state regulators." The firm also "has a strong team highlighted for its capabilities to advise on development and financing matters for solar, wind, and other renewable and alternative energy projects."

A half dozen energy attorneys received global rankings in the following categories:

Energy: Electricity (Finance)

[Eric A. Koontz](#)

Energy: Electricity (Regulatory & Litigation)

[Stuart A. Caplan](#)

[Christopher R. Jones](#)

[Amie V. Colby](#)

[Charles Sensiba](#)

Energy: Oil & Gas (Regulatory & Litigation)

[Daniel Archuleta](#)

Troutman Pepper's market-leading energy practices help clients with their most important and complex matters throughout the United States. From renewables to conventional and emerging technologies, the cross-disciplinary team has extensive experience across the energy landscape. The firm regularly advises independent power producers, banks, utilities, private equity funds, and large corporations. Learn more at troutman.com/energy.
