Elizabeth Mack will take part in CLE International's 32nd Annual Texas Wetlands Conference on January 20 – 21, 2022 in Houston, TX. Elizabeth is speaking during the Regulatory Takings session at 11:00am CST on January 20, where she will discuss recent developments in wetlands regulation under the Takings Clause.

CLE International and this Conference have brought together legal, environmental, and regulatory professionals from all points of view. These experts have kept you and your colleagues up-to-date on wetlands issues across Texas, from the bottomland hardwoods and coastal prairies in Eastern Texas, across riparian and spring-fed wetlands in the Hill Country and Great Plains regions, to the playa lakes, springs, and arroyos of West and Northwest Texas.
