# Climate Change Dominated Energy Court Rulings of 2021

## RELATED PROFESSIONALS

[Michael G. Connelly](#)

---

Michael Connelly, a partner with Troutman Pepper, is quoted in the *Law360* article, "[Climate Change Dominated Energy Court Rulings of 2021](#)."

"Where situations arise where the paths of these projects need to go through or skirt certain state-owned property, it's important to know they've got that precedent out there," said Troutman Pepper litigation partner Michael Connelly, who frequently represents pipeline companies.
