# Climate Reporting Is Still a Thing for US Companies

---

[Shawn Zovod](#), a partner with Troutman Pepper Locke, was quoted in the June 10, 2026 *Financial Times* article, “Climate Reporting Is Still a Thing for US Companies.”

“There’s a concern that there may be a little bit of a domino effect,” said Shawn Zovod, a partner at the law firm Troutman Pepper Locke. She added that complying with rules in different jurisdictions can be difficult.
