Allison O'Neil, Co-Chair of Locke Lord's White Collar Defense and Investigations Practice Group, was featured on an episode of Women Governance Trailblazers, a top-ranking podcast dedicated to leaders and visionaries in corporate governance. In the episode, O'Neil discusses the top three things company advisers should be doing right now in light of current SEC enforcement trends. She also notes the evolution of internal investigations, including the increased use of expert testimony and the introduction of AI. As a member of the Firm's Executive Committee, O'Neil also shares her perspective on how women in the corporate governance field can best add to the current conversation on the societal role of companies, noting the importance of emotional intelligence.
