Cobalt, Lithium, and the Quest for Sustainable Batteries With John Busbee, Xerion

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#)

In this episode, host Bill Derasmo interviews John Busbee, CEO and co-founder of Xerion Advanced Battery Corporation. Dr. Busbee discusses his transition from a 21-year career in the U.S. Air Force to advancing battery technology. The pair focuses on domestic manufacturing, the geopolitical aspects of battery materials, and sustainable and cost-effective battery solutions. Listen in to hear about the insights, challenges, and opportunities emerging in the battery world.
