Colorado AI Act

The Good Bot: Artificial Intelligence, Health Care, and the Law

SPEAKERS

[Erin S. Whaley](#) | [Brett Ashton Mason](#) | [Emma E. Trivax](#)

Join Troutman Pepper Locke Partner Brett Mason for a podcast series analyzing the intersection of artificial intelligence (AI), health care, and the law.

In this installment of *The Good Bot*, Brett is joined by attorneys Erin S. Whaley and Emma E. Trivax to discuss the new Colorado AI Act, important definitions and provisions included in the act, and other regulatory and legislative actions around AI that attorneys and companies should be aware of.
