Compliance Training: SEC Expectations and Substantive Traps to Avoid (Part One of Two)

RELATED PROFESSIONALS

Genna Garver

Genna Garver, a partner with Troutman Pepper, is quoted in the *Private Equity Law Report* article, “[Compliance Training: SEC Expectations and Substantive Traps to Avoid \(Part One of Two\)](#).” This first article in a two-part series explains the SEC’s expectations as to compliance training and provides three traps to avoid in terms of the substance of a fund manager’s training.
