To mark International Women's Day, various women at ION Analytics, including editors, reporters and analysts at *Debtwire*, *Mergermarket*, *Dealreporter*, *Cybersecurity Law Report*, *Hedge Fund Law Report*, and *Anti-Corruption Report* have interviewed outstanding women in their respective jurisdictions and fields.

In this interview, Troutman Pepper Partner Genna Garver discusses steps private fund managers can take to recruit and retain more women; advice she would give to women who aspire to these positions; and what she learned from the first big project that she took the lead on.
