This edition of *Payments Pros* spotlights an episode from *The Crypto Exchange* podcast where Ethan Ostroff sat down with *Payments Pros* hosts Keith Barnett and Carlin McCrory to discuss recent developments with convenience fees in the payments industry. With both of their practices focusing on payments-related issues, Keith and Carlin take a deep dive into the recent CFPB advisory opinion on convenience fees and how it affects payment processors, money transmitters, and loan servicers. Additionally, they explore how the CFPB's advisory affects card network rules and how the rules mesh with state laws.
