Copyright and Fair Use in the Context of AI

SPEAKERS

[Michael D. Hobbs, Jr.](#)

Mike Hobbs, a partner in the Intellectual Property Practice Group of Troutman Pepper, was a guest speaker on the *LearnFormula* podcast titled, "[Copyright and Fair Use in the Context of AI.](#)"

This course provides a comprehensive overview of the intersection between copyright law and the rapid advancements in artificial intelligence. Participants will explore key legal challenges and developments in copyright as they pertain to AI-generated content and the implications for various industries including media, technology, and entertainment. Through detailed analysis of current cases and expert insights, this course aims to equip learners with the necessary tools to navigate this evolving legal landscape effectively.
