Glenn Pudelka, a partner in Troutman Pepper Locke's Intellectual Property Practice Group, was quoted in the January 2, 2026 *Law360* article, "[Copyright Cases To Watch In 2026](#)."

Despite being somewhat bogged down in discovery disputes, Glenn G. Pudelka of Troutman Pepper Locke LLP said there's a chance this case will suddenly conclude short of trial with a licensing arrangement, considering how daunting and risky such a trial can be.

"In this world, some people just are like, 'I think this is right or I think this is wrong, and I am going to fight it because that's what I believe,'" Pudelka said. "I think it'll be the year of some substantive rulings on AI cases."
