In the second episode of *The Crypto Exchange*, Troutman Pepper Consumer Financial Services Partner Ethan Ostroff welcomes back Keith Barnett and Carlin McCrory to discuss opinions released over the past year involving money transmission and the Money Transmission Act and how they impact stakeholders in the digital asset and payment spaces.

Keith and Carlin are both regulatory, compliance, and payments attorneys with experience representing financial institutions, fintechs, lenders, debt collectors, payment processors, neobanks, and virtual currency companies. They also advise cryptocurrency exchanges and NFT platforms on state and federal money transmission law compliance and regulatory issues, and represent these companies in lawsuits and government enforcement actions.
