Crypto Year in Review 2022: State-Level Regulatory Developments in the Digital Asset Market

The Crypto Exchange Podcast

SPEAKERS

[Keith J. Barnett](#) | [Ethan G. Ostroff](#) | [Addison J. Morgan](#)

In the third segment of our four-part *Crypto Year in Review* series, Ethan Ostroff, Keith Barnett, and Addison Morgan discuss state-level regulation of interest-bearing cryptocurrency deposit products. Our speakers explain these product types and cover how state attorneys general and other regulators seek to protect consumer interests amid the rapidly evolving digital asset landscape.

Be on the lookout for the final episode of this four-part [podcast series](#).
