Cryptocurrency. Is There a Future?

Zoom

SPEAKERS

[Deborah Kovsky-Apap](#)

Thursday, March 30 • 12:00 – 1:30 p.m. ET

Join us as we continue the cryptocurrency conversation from Fall 2022. The panel will begin with an overview of the current crypto landscape including price fluctuations, UCC affects, miners and SEC enforcement updates. Discussion with all covering legal issues and bankruptcies including real life examples from Celsius, FTX and other recent cases. We will also look at the future of the industry.

Panelists

- Paul Kueber (Moderator), Maybury Partners
- Deb Kovsky, Troutman Pepper
- Ryan Gross, Getzler Henrich & Associates
- Ron Spinner, Miller Canfield
- Nick Ward, The Network Firm
