Cyber Insurance Coverage for Business Email Compromises and Ransomware

RELATED PROFESSIONALS

Molly McGinnis Stine

Molly McGinnis Stine will take part in a live, 90-minute virtual Strafford CLE webinar, “Cyber Insurance Coverage for Business Email Compromises and Ransomware,” on Tuesday, June 6 at 1:00pm ET.

The panel will analyze current trends and developments in policy language, coverage, claims, and litigation arising from business email compromises (such as social engineering, fraudulent instructions, network security) and ransomware.
