Cyber Threats – Are You Prepared?

Webinar

SPEAKERS

Samuel E. "Gene" Fishel

Gene Fishel will be speaking on the “Cyber Threats – Are You Prepared?” webinar, being held on March 26.

Join professionals from McGriff, the US Secret Service, Troutman Pepper Locke, and A.B. Data to learn more about fraud and cybercrimes. Organizations of all sizes realize no one is exempt from cyber threats. During this session we will discuss network security, threat intelligence, data protection, and emerging cybersecurity trends.
