Dark Web Monitoring

Unauthorized Access Podcast

SPEAKERS

[Sadia Mirza](#) | [Kamran Salour](#)

Immediately following a three-day stint at the *Summer 2022 Net Diligence* conference in Philadelphia, Kamran and Sadia welcome Kroll's Keith Wojcieszek to the *Unauthorized Access* podcast. In this episode, the trio discuss common misconceptions about dark web monitoring and instances where dark web monitoring can be quite important.

Don't forget to tune in to win this month's prize — Troutman Pepper's "privacy + cyber" hacker hoodie.
