Troutman Pepper Locke is proud to serve as a Silver Sponsor of the Datacloud Global Congress in Cannes, France, June 2–4.

Datacloud Global Congress brings together leaders from across the digital infrastructure, cloud, and data center ecosystems.

Our team looks forward to connecting with industry peers and partners; meeting new contacts across the global data center and cloud community and reconnecting with clients and colleagues from around the world!

If you'll be in Cannes for Datacloud Global Congress, we'd welcome the opportunity to connect.
