Drafting Consumer Breach Notices — From a Litigation Perspective

Unauthorized Access Podcast

SPEAKERS

[Ronald Raether, Jr.](#) | [Sadia Mirza](#) | [Kamran Salour](#)

In this episode of *Unauthorized Access*, Kamran and Sadia welcome their firm colleague, Privacy + Cyber Partner and Team Leader Ron Raether, in a discussion on consumer breach notices — specifically from Ron’s perspective as a litigator — and how plaintiff’s counsel can interpret these notices.

For more than 20 years, Ron has advised companies in navigating federal and state privacy laws, bringing a unique understanding of technology in the areas of data security, data privacy, patent, antitrust, and licensing and contracts.
