Join Troutman Pepper Partner Melissa Chuderewicz for a panel discussion during the DRI “Drug and Medical Device 101” webinar on Wednesday, March 22, 2023, at 12 p.m. ET.

Drug and medical device manufacturers remain a target in high stakes litigation. Understanding the basics of drug and medical device litigation is key to defending the makers of these life-saving drugs and devices.

The panel will cover:

- The fundamental concepts regarding Drug and Medical Device litigation.
- FDA regulation of drugs and medical devices
- Product liability claims and defenses (including case handling)
- A discussion of failure to warn claims and the learned intermediary defense
