Wednesday, October 12 • 12:00 – 1:00 p.m. ET

Join Troutman Pepper Associate, Brett Tarver for a panel discussion during the DRI “Effective Techniques for Cross Examination of Expert Witnesses” webinar which will be held Wednesday, October 12, 2022 at 12:00 p.m. ET.

The panel will discuss how opposing expert witnesses pose a unique challenge at trial. Effectively challenging an opposing expert’s opinions through cross-examination is often a key to success. While each expert is unique, this program will equip attendees with replicable cross-examination techniques and an understanding of how to challenge the conclusions of an opposing expert through reference to a learned treatise.
