Wednesday, December 4 • 2:00 – 3:00 p.m. ET

Will Taylor and Andrew Tseng from our Corporate Espionage Response Team will be panelists at the Boston Bar Association's webinar, "Economic Damages in Trade Secret Cases: Key Insights and Strategies," on December 4, 2024. The session will cover the framework for economic damages in trade secret misappropriation cases, including an overview of federal and state trade secrets law, what qualifies as a trade secret, the influence of trade secret type on damages, comparisons with patent infringement remedies, proving a causal nexus, and strategies for enhancing legal positions. Gain practical insights to navigate trade secret misappropriation damages effectively.
