eMerge Webinar: Latest Developments in Technology Assisted Document Review

SPEAKERS

[Alison A. Grounds](#) | [Jason Lichter](#) | [Chris Haley](#)

Tuesday, August 31 • 2:00 – 3:00 p.m. ET

Please join our panel of practicing lawyers and technologists as they discuss recent developments in the law and technology impacting the use of technology assisted review (TAR)/continuous active learning (CAL)/artificial intelligence (AI) to more efficiently and accurately review documents and analyze data sets in a variety of legal matters. Our panelists will discuss the evolving case law, analyze the benefits and risks of TAR protocols, discuss strategies to navigate common areas of dispute around the use of TAR, and describe the latest technology tools and how they can be applied in litigation, investigations, compliance, due diligence, contract analysis, breach response, and data remediation.
