In the inaugural episode of Troutman Pepper's three-part Employee Benefits and Executive Compensation podcast miniseries, hosts Lynne Wakefield, Constance Brewster, and Brianna Hourihan discuss recent legislative developments and pressing issues in the qualified retirement plan space. They delve into the key provisions of SECURE 2.0, proposed regulations on the use of forfeitures, the expansion of the Employee Plans Compliance Resolution System (EPCRS), and recent litigation trends, as well as year-end administrative tasks.

Stay tuned for next week's episode, where hosts Lynne Wakefield and Lydia Parker will highlight key health and welfare plan developments as we close out 2023 and head into 2024.

We are excited to announce that we will be hosting our annual webinar in September 2024, which will provide a comprehensive look at the future landscape of employee benefits and executive compensation.
