Join the Troutman Pepper Employee Benefits and Executive Compensation team for an insightful webinar on the latest legal developments affecting the design and administration of tax-qualified retirement plans and health and welfare plans. Our attorneys will delve into the implementation of Secure 2.0, emerging trends in fiduciary litigation for health and welfare plans, and the potential impacts of recent significant rulemaking and litigation. Key topics include the U.S. Supreme Court's elimination of "Chevron deference" in its Loper Bright decision and the ongoing legal challenges surrounding the Federal Trade Commission's noncompete ban. This complimentary webinar is tailored to equip employer plan sponsors with the essential knowledge and tools to navigate the evolving legal landscape of employee benefit plans effectively.
