Chris Willis, a partner in Troutman Pepper's Consumer Financial Services Practice Group, was quoted in the April 21, 2022 *Bloomberg Law* article, "[Employers Face CFPB Scrutiny Over Job Training Repayment Demands](#)."

"Any rule the FTC comes up with will be sweeping and rope in all employers. But rulemaking in itself poses some risks," said Chris J. Willis, the co-head of Troutman Pepper Hamilton Sanders LLP's Consumer Financial Regulatory practice.

"When you make a rule, it's very visible politically and it's very easily challengeable in court," he said.
