Chris Willis, a partner in Troutman Pepper's Consumer Financial Services Practice Group, was quoted in the April 21, 2022 *Bloomberg Law* article, "Employers Face CFPB Scrutiny Over Job Training Repayment Demands."

"Any rule the FTC comes up with will be sweeping and rope in all employers. But rulemaking in itself poses some risks," said Chris J. Willis, the co-head of Troutman Pepper Hamilton Sanders LLP's Consumer Financial Regulatory practice.

"When you make a rule, it's very visible politically and it's very easily challengeable in court," he said.
