# Energy Industry Sees Few Benefits in Semiannual SEC Reporting Proposal

## RELATED PROFESSIONALS

[Jay A. Dubow](#)

---

[Jay Dubow](#), co-leader of Troutman Pepper Locke's [Securities Investigations + Enforcement Practice Group](#), was quoted in the June 5, 2026 *S&P Global Market Intelligence* article, "[Energy Industry Sees Few Benefits in Semiannual SEC Reporting Proposal](#)."

"If you're doing it by rulemaking, it's very easy to get a new rule with a new administration that doesn't see things the same way," Jay Dubow, who leads Troutman Pepper Locke's securities investigations and enforcement practice group, said in an interview.
