Energy M&A Roared Back to Life in 2021

RELATED PROFESSIONALS

[Michael G. Connelly](#)

Troutman Pepper Partner Michael G. Connelly is quoted in the *Law360* article “[Energy M&A Roared Back to Life in 2021.](#)”

“The FTC has certainly been extremely active, not only on the energy front but across many industries as far as asking for second reviews of proposed mergers of any size,” said Troutman Pepper partner Michael Connelly, who does oil and gas litigation work.
