Enter With an Exit: Choosing the Right Entity From Day One

Webinar

SPEAKERS

Nicholas A. Stawasz

Troutman Pepper Locke partner Nick Stawasz will be speaking on a webinar titled “Enter With an Exit: Choosing the Right Entity From Day One.”

The legal and tax structure you choose today can influence your company’s growth, access to capital, tax position, and eventual exit for years to come. Whether you’re launching a new venture or preparing for your next stage of growth, understanding the long-term implications of entity selection is essential.

Join CBIZ and a panel of legal and tax professionals as they compare LLCs, S corporations, and C corporations, and discuss how factors such as funding needs, ownership structure, tax considerations, and exit goals can impact this crucial decision.

Attendees will also gain practical insights into Qualified Small Business Stock (QSBS) planning and strategies that can help founders and investors maximize potential tax benefits upon exit.

Register today to learn how thoughtful entity planning today can help founders and investors navigate growth, attract capital, and prepare for a more tax-efficient exit tomorrow.
