SPEAKERS

[Brooke K. Conkle](#) | [Alison A. Grounds](#) | [Daniel Lynch](#) | [Steven Heitz](#)

Wednesday, July 24 • 12:00 – 1:30 p.m. ET

Alison Grounds, Brooke Conkle, Steven Heitz, and Daniel Lynch will present ESI Protocols. This program will educate new litigators on the benefits and risks of drafting protocols for the exchange and handling of Electronically Stored Information (ESI) in litigation. They will include tips on drafting, revising, and negotiating protocols, including essential elements and common pitfalls, to help minimize eDiscovery disputes. Our lawyers and technologists will also provide practical guidance and advice on both legal and technical issues associated with format of production, search protocols, privilege logs, and more.
