Wednesday, August 6 • 12:00 – 1:00 p.m. ET

Join Jim Calvert, Brooke Conkle, Steven Heitz, and Jennifer Doran as they share their extensive knowledge on ESI Protocols.

This session will educate attendees on the benefits and risks of drafting protocols for the exchange and handling of Electronically Stored Information (ESI) in litigation. The presentation will include strategic tips on drafting, revising, and negotiating protocols, highlighting essential elements, and common pitfalls to help minimize eDiscovery disputes. Our team of lawyers and technologists will also provide practical guidance and advice on both legal and technical issues associated with the format of production, search protocols, privilege logs, and more.
