EV Tech Series: The Inflation Reduction Act's Impact on the Energy Industry With Judy Kwok and Marc Machlin

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#) | [Marc D. Machlin](#) | [Judy Kwok](#)

The Inflation Reduction Act of 2022 (IRA) is the most significant legislation related to climate change in U.S. history. With it comes significant tax implications for the clean energy industry, including renewables, storage, electric vehicles, and more.

Join host Bill Derasmo and Troutman Pepper partners Judy Kwok and Marc Machlin as they break down the IRA and its effects across the energy sector.
