Ex-Ga. Chief Justice Forecasts Legal Trends, Offers Insight Into Appellate Practice

RELATED PROFESSIONALS

[Justice Harold Melton](#)

Chief Justice Harold Melton was profiled in the December 14, 2023 *Daily Report* article, [“Ex-Ga. Chief Justice Forecasts Legal Trends, Offers Insight Into Appellate Practice.”](#)

What You Need to Know

Former Chief Justice Harold Melton said he sees increased technological capacity and possible jurisdictional shifts in the state judiciary's future.

He also offered advice to litigators arguing in the Supreme Court base on what he used to look for as a justice.

To this end, he said knowing the record, sound textual analysis and anticipating the justice's questions are key to leaving a good impression.
