Expanding Energy Storage Through Cross-Cultural Insights With Dr. Marco Terruzzin, Energy Vault

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#)

In this episode, host Bill Derasmo is joined by Dr. Marco Terruzzin, the chief commercial and product officer at Energy Vault. Dr. Terruzzin shares his background in energy economics and trading, with experience in both the U.S. and China. He discusses how international experience and cross-cultural knowledge have expanded the energy sector. The conversation focuses on innovative energy storage solutions, including gravity and hybrid energy storage systems, and the increasing demand for dispatchable, emission-free resources. Tune in to learn about the priorities in energy storage and potential solutions.
