Extending the Flexibility of Energy Storage With Julia Souder, LDESC

Battery + Storage Podcast

SPEAKERS

[William R. Derasmo](#)

In this episode of the *Battery + Storage Podcast*, host Bill Derasmo speaks with Julia Souder, CEO of the Long Duration Energy Storage Council (LDESC). Julia shares her creative background in the energy sector, which has fueled her passion and commitment to advancing long-duration energy storage (LDES) and promoting renewable energy. The discussion covers the challenges and opportunities for LDES, highlighting California's leadership and initiatives, such as the California Public Utilities Commission's goal of achieving one gigawatt of LDES by 2030. Tune in to learn about the future of energy storage, the diverse technologies involved, and the importance of continued advocacy and policy support in achieving decarbonization goals.
