Troutman Pepper is proud to continue our long-standing support of the EY Entrepreneur of the Year Program. The program has been celebrating the ambitious visionaries who are leading successful, dynamic businesses for nearly four decades. Countless Troutman Pepper clients have been finalists (and winners) over the years.

The Greater Philadelphia program includes Eastern Pennsylvania, Southern New Jersey, and Delaware. Each year, a panel of independent judges selects regional finalists and winners who are recognized during an awards celebration in June. The regional award winners compete for national recognition the following November at the Strategic Growth Forum®, where National finalists and award winners are announced. The overall National winner then goes on to represent the U.S. at the EY World Entrepreneur of the Year™ competition the following June.
