Stephanie Pindyck Constantino, a partner with Troutman Pepper, was quoted in the March 2, 2025 *Private Equity International* article, "[Fee Inconsistencies Drive Confusion in Co-investing](#)."

"Whether or not fees and carry are charged on co-investment depends a lot on the purpose that the co-investment is serving in relation to the deal," says Stephanie Pindyck Costantino, a partner at Troutman Pepper. "It depends on what the premise of the co-investment vehicle is."
