Thursday, March 27 • 11:35 a.m. – 12:05 p.m. ET

Partners Brian Casey and Brian Hays of Troutman Pepper Locke will present at the 4th Annual Warranty & Service Contract Innovations for Vehicle, Home, Smart Products & Consumer Goods in New Orleans on March 27. They will discuss the TCPA and Do Not Call risks and best practices after the FCC's robocall 1:1 consent rules were vacated by the Eleventh Circuit Court of Appeals.

The conference provides a deep dive into key ingredients for warranty & service contracts for vehicle, home, appliance, mobile, electronics and other consumer markets, including the tools and strategies for end-to end lifecycle solutions for product design, marketing, sales, customer service, operations, technology and compliance.
