Organizations continue to face new issues, regulations and threats relating to privacy and cybersecurity. Over the next few months, Locke Lord lawyers will tackle some of your most pressing concerns in a series of complimentary webinars discussing practical, real-world challenges facing organizations, including compliance, business operations, data incidents, and investigations, litigation and enforcement. Sign up below for each program that interests you or sign up for the entire series.

Join us on Thursday, May 20 at 1:00pm ET where panelists will discuss best practices for addressing cybersecurity and privacy issues in vendor management, mergers and acquisitions and records management. Panelists will also share practical insights into the use of e-sign, a tool that took off in 2020.
