Organizations continue to face new issues, regulations and threats relating to privacy and cybersecurity. Over the next few months, Locke Lord lawyers will tackle some of your most pressing concerns in a series of complimentary webinars discussing practical, real-world challenges facing organizations, including compliance, business operations, data incidents, and investigations, litigation and enforcement. Sign up below for each program that interests you or sign up for the entire series.

Join us for our first installment on Thursday, April 15 at 1:00pm ET where panelists will discuss new and evolving privacy compliance issues will present continuing and accelerating challenges in the coming months. These include new laws and regulations across the United States, EU and Great Britain. Explore recent developments in the legal and regulatory requirements that affect how businesses collect, use and share data.

Presenters:

Ted Augustinos

Partner, Co-Chair of the Firm's Privacy and Cybersecurity Practice Group
Locke Lord, Hartford
