The Georgia Bankers Association (GBA) 129th Annual Meeting will be held June 20-22, 2021 at Sea Island.

Join Troutman Pepper Partner James Stevens and Fenimore, Kay, Harrison & Ford LLP Partner Jonathan Hightower during the “Board Decision-Making and Strategic Planning in 2021” session on Tuesday, June 22. Bank Boards and executive management are constantly faced with questions regarding the future of the banking industry and new challenges as they make long-term decisions. James and Jonathan will discuss the lens through which bank leadership can view these decisions as they grapple with consolidation and other expansion opportunities, operating challenges, stakeholder expectations, and evolving regulatory requirements. The competition for high performance has never been tougher, and proper decision-making structures will play a key role in shaping the future of the Georgia banking landscape.

In addition to an outstanding industry education program, attendees will enjoy networking time, miles of pristine private beaches, and scores of outdoor activities sure to make this year’s Annual Meeting memorable for you and your family.
