Mike Hobbs will be a panelist at this year's Georgia Intellectual Property Alliance (GIPA) Corporate IP Institute, held on October 8-9, 2025. He will be the presenter for a session titled, 'From Brussels to Bangkok: Strategies for Protecting Your Brands and Creative Content Without Losing Your Mind.'

The Corporate IP Institute ® (CIPI) features one of the highest local concentrations of in-house corporate professionals in an expansive CLE and networking program. In just the past 5 years, CIPI featured intellectual property leaders as speakers from nearly 100 companies – plus countless additional companies represented in the audience.
