# Getting Into the Weeds on Marijuana Excise Taxes: Trends and Outliers in the Largest Markets

## CONTACTS

[Jean E. Smith-Gonnell](#) | [Zie Alere](#)

---

State and federal excise taxes are a critical element of the business environment for major “vice” industries in the United States, such as tobacco. While no federal excise tax applies to marijuana, state excise taxes (SET) are a significant economic consideration for the recreational marijuana industry in a given state.
