Grit in the Workplace: *A League of Their Own*

Hiring to Firing Podcast

SPEAKERS

Evan Gibbs | Tracey E. Diamond

In this episode of the Hiring to Firing Podcast, Partners Tracey Diamond and Evan Gibbs sit down with Fawn Collingwood, VP of Human Resources at United Safety, about the essence and importance of “grit” in the workplace. With clips from the classic movie, *A League of Their Own*, they explore how resilience, determination, and teamwork can shape a modern work environment.

Listeners can anticipate thought-provoking conversations around the importance of grit in overcoming professional obstacles, fostering a robust workforce, and cultivating an environment that encourages tenacity and perseverance.

This episode is sure to inspire, motivate, and challenge your perceptions of grit in the workplace.
