Tracey Diamond, a member of Troutman Pepper’s Labor + Employment Practice Group, was quoted in the September 26, 2023 *Bloomberg Law* article, “[High Court Religious Bias Decision Paves Way for EEOC Vax Suits](#).”

“It does signal that the EEOC is going to be taking a stronger approach to denials of religious accommodation requests post-Groff than perhaps they were doing before,” said Tracey Diamond, an employer-side labor and employment attorney at Troutman Pepper Hamilton Sanders LLP. “It is definitely at the forefront of the EEOC’s agenda right now.”
