The evolution of the legal operations role is changing the way legal departments prioritize, organize, and add value for their organization. This exclusive event is designed especially for legal operations leaders to help you navigate the evolving legal ops landscape. The summit is a valuable opportunity to share insights, examine trends, discuss challenges, and shape a strategic vision for the organization.

The event will kick off with dinner on Thursday, March 12, at Yalda West Midtown , followed by a full day of programming on Friday March, 13. Topics will include:

- State of the Corporate Law Department: Latest Market Insights
- Making Change Stick: Change Management Strategies for Legal Operations
- Maximizing Value with Creative Billing Solutions
- Employee Engagement in Legal Departments: Turning Insight into Action
- The Legal Ops Traffic Cop: Managing Chaos While Driving Strategy
- GenAI in Practice: Case Studies + Collaborative Discussion

To foster an intimate and collaborative environment for openly sharing successes and challenges, attendance is limited to a maximum of two legal operations leaders from each company.

Prior attendees have said the following about the Summit:

- “10000% Yes! This was an extremely valuable use of time and resources to attend this event. Please keep it on the smaller scale. I am already looking forward to attending in the future.”
- “Fabulous event! I really enjoyed the speakers and the content. The small group made the collaboration really easy and fun. I look forward to another great event!”
- “Thoroughly enjoyed this event. It was very informative and had lots of practical application. I thought the group size was great, great topics and format/agenda, great venue. Would definitely attend again.”

There is no cost to attend the summit.

We hope you will be able to join us!
