How Law Firms Balance Internal E-Discovery and Outsourcing

RELATED PROFESSIONALS

[Jason Lichter](#)

Jason Lichter, a principal in Troutman Pepper's eMerge, was quoted in the July 25, 2024 *Law360 Pulse* article, "[How Law Firms Balance Internal E-Discovery and Outsourcing](#)."

Jason Lichter, principal at Troutman Pepper Hamilton Sanders LLP, said during the panel that most of the firm's e-discovery work is done through its subsidiary called Troutman Pepper eMerge. Over 80 professionals work in eMerge, including attorneys and the technology and operational staff.

...

"It's easy to say you're a profit center," Lichter said, but also noted it's not always easy to do.

...

Lichter said that generative AI will likely be more "disruptive" than previous technologies in e-discovery.
